I want to share with you a letter that changed my life. I wrote this letter to myself 7 years ago.it is a letter of truth and vulnerability. It is a letter that challenged me to be a better version of myself. This letter stirred up a lot of emotions because I was calling myself out on how I was choosing to live my life.

A Letter That Changed My Life...
Dear Life I'm Living, This week, I decided to write you because some things have happened recently that made me step back and take a good look at my own life. I wrote down some things that have some sort of meaning in my life. They keep me going because sometimes life is hard, and the only thing you can do is be positive.

An Open Letter To The Life I Am Living
"Poetry is either something that lives like fire inside you - like music to the musician or Marxism to the communist - or else it is nothing, an empty, formalized bore around which pedants can endlessly drone their notes and explanations." — F.
