Cambridge Technicals - Engineering - OCR

Cambridge Technicals are a new suite of vocational qualifications at Level 2 and Level 3 for students aged 16+. They're designed with the workplace in mind and provide a high-quality alternative to A Levels, with a great range of subjects to choose from. The qualifications allow for a high degree of flexibility with the choice of units that make up the qualifications, so students can specialise in the specific areas of the subject that interest them most.
