from the plane to the dam. Turning off the bomb rotation switch trees the Front Gunner to man the twin 303's. When the two dam towers are the same distance apart as the bomb-distancing sights, the dam is the correct distance away. If the speed and altitude factors are also correct (see Dam Approach), release the bomb. TO release the bomb:

actor Martin Shaw takes viewers on a tour and tale of the RAF Dam Buster mission of World War II. He points out the few fictional aspects in the 1955 movie, "The Dam Busters." This film has interviews with relatives and friends of the men in the Dambuster Squadron. It visits various sites that were part of the WW II mission.
