to Ethnography and Language Policy, policy is 'a situated sociocultural process—the complex of practices, ideologies, attitudes, and formal and informal mechanisms

(PDF) Teresa L. McCarty (Ed.): Ethnography and Language Policy

For ethnographers of language policy, this entails a view of policy as a situated sociocultural process : the practices, ideologies, attitudes, and mechanisms that influence people's language choices in pervasive everyday ways and that are contextualized in "cultural phenomena socially, historically, and comparatively across time and space" (McCarty 2011, p. 10).

Ethnography of Language Policy | SpringerLink

This chapter explores the history, development, and role of ethnographic research in understanding de facto and de jure language policies. With its roots in anthropology, ethnography is characterized by the contextualization of cultural and linguistic phenomena and close attention to participants' point of view.
