In Watermelon Sugar Richard Brautigan

In Watermelon Sugar is an American postmodern post-apocalyptic novel by Richard Brautigan written in 1964 and published in 1968. Set in the aftermath of a fallen civilization, it focuses on a commune organized around a central gathering house which is named "iDEATH". In this environment, many things are made of watermelon sugar. The landscape of the novel is constantly in flux; each day has a different colored sun which creates different colored watermelons, and the central building also changes

In Watermelon Sugar by Richard Brautigan - Goodreads

Richard Brautigan's novel In Watermelon Sugar depicts seemingly real characters, although the setting is purely imaginary, fantastic or even supernatural and behavior of people psychologically unconvincing, harmonious, and even idealized. Creating a picture of idealized life in the natural environment within the idealized life in iDeath community and contrasting it to the world of the inBoil Gang (representing the world of violence and physical reality), Brautigan thus creates an idealized ...

My favorite Brautigan book is In Watermelon Sugar, but Trout Fishing in America is great too. In Watermelon Sugar has a more linear narrative, while Trout Fishing in America is a bit more circular and broken. This guy drops more character into one sentence than any self-respecting sentence has a right to. Read more.
