Why is ISBN important? ISBN. This bar-code number lets you verify that you're getting exactly the right version or edition of a book. The 13-digit and 10 ...

Amazon.com: Invitation to Classical Analysis (Pure and ...

This is the kind of book that should be in the library of every serious student of analysis. The material, while classical, is in its totality not readily available in this form, and so the author has done a great service in writing this text.-- Elias M. Stein, Princeton University. Peter Duren's Invitation to Classical Analysis is a beautiful book. It presents a rich selection of results in classical analysis clearly and elegantly.
