Hold your hand with the index and pinkie fingers up and the other three fingers touching each other, doing the old "Rock n' Roll" symbol. Place the card so the last inch or so (2.5 cm) tucks into the area between the middle and ring finger and thumb. Gently snap your fingers and straighten out your hand.

With the help of 62 magnets around the edges, the Magic Sleeve folds over and seals shut, protecting your iPad Pro (or similar-sized laptop) inside. It's easy to pull the magnets apart when you need to work, and when the sleeve is open, it doubles as a desk pad. The magnets on the edges also hold your Apple Pencil in place when not in use.
