### **Principles Of Social Reconstruction Bertrand**

The ideas expressed in Principles of Social Reconstruction have greatly contributed to Russell's fame as a social critic and anti-war activist. The new introduction by Richard Rempel locates them in the context of Russell's other writings and show that neither his ideas nor his language have lost their force and topicality over the years.

## Where To Download Principles Of Social Reconstruction Bertrand Russell

Principles of Social Reconstruction. This book, originally entitled Why Men Fight, is generally seen as the fullest expression of Russell's political philosophy. Russell argues that after the experience of the Great War the individualistic approach of traditional liberalism has reached its limits.

### **Principles of Social Reconstruction by Bertrand Russell**

He wrote this book during WW I in order to make men averse from war (a truly `real' social reconstruction). As always, B. Russell takes the bull by the horns and tackles in an outspoken manner all the cardinal problems of every society (authority, State, Church, knowledge, education, war) and Western society in particular (the liberation of women will lead to drastic demographic changes).
